- ★ Brunettes and Redheads — Add a couple of tablespoons of apple cider vinegar to your rinse water.

## Why are you here Goddess?

Everyone who has walked this Earth has probably asked themselves this question. Why indeed are we here? Why are we alive, why do we go through life as we do?

Kabbalistic Astrology offers a unique insight into the individual's Soul to answer this age-old question. This therapy will show you what your Soul has chosen to transform in this life.

This form of Astrology differs slightly to the Western Astrology we are most exposed to. It is an older form of Astrology that has held true since Biblical times.

A Kabbalistic Astrology Reading will show you how to make the most of your environment, how to manage other people in your life and how to find your true Soulmate. You will also understand your past lives and where they fit in your modern day to day life.

Try this new therapy and discover more about yourself and your Soul.
